ON Stocks, Oil Leases, & Oil
No. 632
Main street, Louisville, Ky.

Oil territory may be determined by the
U. S. G. A. and the States, which are usually
unprofitable countries, along streams in
and at the base of hills. Lime and sand
can be found, saturated and dried with
a strong fire where freely broken, and
burn when placed upon a hot fire, emit
lime.

To all who know of such locations or
already leased or bought—specimens
which may be learned on application to
